May 25, 1940

Dear Member,-

After June 1st, all League Umpires are to be paid any advances by Mr. Ed Gottlieb. If circumstances causes you to pay umpires or advance any money to them after this date send receipt of payment to Gottlieb and he will refund money direct to you. This was worked out in this way by Mrs. Manley and Mr. Gottlieb and approved by the President of your League and four members at an emergency gathering for this purpose.

Score sheets not received are as follows: Philly Stars-Balt. games at Balt. May, 12. Newark-Black Yank games (2) played in south. I have the Richmond double header. Kindly send these at once to 812-13th Ave., Homestead as batting averages are complete except these games, but there are not enough games without them to warrant publication.

All members are requested to send me at once, the players who are on your roster or who are your property and playing elsewhere. I have contacted the Mexican owners and they assure me they will not touch any N.N.L. Players under contract to League clubs. The Mexican owners have requested these names.

Mr. Abe Manley wishes all members to know that Satchell Paige, the property of Newark Eagles, is being permitted to play against N. American League Clubs which abrogates any agreement between two Leagues unless rectified at once.
